Facilities

2015 saw the planning for the new Bush Kindy Area. Construction has commenced and will continue ready for our first Bush Kindy Program in term 3 2016.

Curriculum (Caters for students from K - Year 12)

Australian Curriculum Alignment and implementation
- Review Centre program documentation (overview and activity plans) are explicit with Australian Curriculum Include assessment opportunities as well as centre program design philosophy, learning in the classroom, beyond and back into the classroom with a focus on Geography (Years 7-10), HPE (Bunyaville Challenge) Your partner in taking the learning beyond the classroom
- Deepen connection to General Capabilities across all programs, review each Learning Pathway P-12
- Review, trial and begin documentation of programs for opportunities for implementing Geography curricula
- Trial Early Years program – Bush Kindy and Bush Explorers.
- Continue local curriculum partnerships – VET, Year 9 Science
- Embed real world Community Partnership within Curriculum delivery for schools - Bush Care, Erosion Yr4, Camp Out Years 2-4.

Assessment
- Review 2014 Data Analysis Plan including data embedded in teacher pre-visit sessions and for capacity building of teachers in classroom.
- Refine and implement Data Plan for 2015
- Target programs to collect data re building teacher capacity using Australian Professional Standards for Teachers
- Analysis and reporting student learning outcomes to schools in student learning
- Teaching staff identify and document examples of pedagogy of place assessment tools in all Centre Program’s Overviews
- E-survey of client schools for curriculum alignment, satisfaction data both Headline Indicators
- Collate data for School partnership program data – building teacher capacity and student distance travelled where relevant
