How to access a Learning Pathway on the Learning Place

2. On the right hand side (‘Log in to…’) menu, click on the first option, Staff space.

3. If you are using your computer at a school site, it will proceed to your Staff space webpage (see below), however if you are at different location, the following login window may appear.
4. Enter your EQ Login ID and Password, then click the **Login** button.

![Login button](image)

5. Your Staff space webpage should now appear (this page sometimes takes time to load). You will see your name on the top right hand side of the webpage.

![Welcome message](image)

6. You will have been provided with an access key number for the BEEC program you are attending (i.e. for the Bunyaville Easter Bilby Adventure this number is L19157867). Enter this number into the 'Enter access key' text box, then click on the green arrow.

![Enter access key](image)
7. The learning pathway for the BEEC program you are attending should now open as a new webpage.

Please do not copy the learning pathway, as any updated content will not be added to the copied pathway. Instead, add the learning pathway to your Favourites list to make it easy to access (see below).

**How to add a Learning Pathway to your Favourites**

1. To add a learning pathway to your list of favourites, click on the Add to favourites icon at the top left hand side of the webpage.
2. A tick will appear in the icon when the learning pathway has been added to your Favourites.

How to view a Learning Pathway in your Favourites

1. Click on the My Learning Space tab.
2. On the left hand side (My Learning Space) menu, click on Favourites, this will open your Favourites web page.

3. Click on the Learning pathway tab.

4. Learning pathways added to your Favourites list will now be displayed on this page.
